

President of Shoestring Board Herman Isenbeiss Elected New

By BILLIE ROBERTSON
FA 8-7385

The 223rd Street School held its regular PTA board meeting at the school on Oct. 1, at 9:30. Many of the board members were present with Mrs. David Goolsby, president. During the meeting the following women were ratified as new chairmen: Mmes. Anthony Monge, Frank Berrier, Fred Trujillo, Fred Harvey, and Wayne Smith.

The members voted to sponsor a Camp Fire group. This to take place soon. Also they will help with the Halloween Festival at the school and the same time they will hold a bake sale on the grounds. This will be Oct. 31.

The members decided after much discussion to have the name for the school newsletter to be "223rd Earlybird." Mrs. E. J. O'Meara is in charge of the paper and would like all news to be in by the first Monday of each month.

On Oct. 2 at Normandale Recreation Center the monthly meeting with Councilman John Gibson was held. Many members of the Advisory Board were present. The following officers were elected: President, Herman Isenbeiss; first vice president, Mrs. Ben Rusk. Taking on the job of second vice president is Mr. C. A. Johnston. Mrs. Brenda Fryback is the new secretary, and I will retain my office as treasurer.

John Gibson expressed his thanks for the faithfulness of the crowd in turning out for the meetings. He also told of his running for Mayor of Los Angeles in April and that Joe Goss will toss his hat in the ring for Councilman of our district.

After the meeting, yummy pumpkin pie and whipped cream was served under the direction of Mrs. Harold Unander, Ester Venable and myself.

Mrs. Elizabeth Danky, principal of the 223rd Street School, has announced that the school has an enrollment of 920 children. More children are expected when the homes are finished in the area close to the school. Also she would like to state that the school is forming its library and they have approximately 500 new books in stock. Soon the school will have enough books so the children will be able to check the books out. At the present the library is just used for the class periods.

Is there a woman in the area who would like a job? Baby sitting that is. By this I mean during the regular meeting of the 223rd Street School PTA and the regular board meeting a woman is needed to watch the children of the mothers attending the meetings. The sitter is needed on the first Monday of each month from 9:30 to 11 and on the PTA day which is the second Tuesday of each month from 1:30 to 3:30. If anyone is interested, please contact Mrs. David Goolsby at FA 8-6151.

Mr. and Mrs. Simon Sayers are happy to announce that the long awaited day has arrived. They are now the parents of a lovely daughter. They reside at 21139 South Royal and are looking for you to stop over and see their new arrival. Little Mildred Ann came to live with the Sayers when she was three days old. The Sayers have looked forward for a child for 12 years and decided to adopt a baby of their choice. We are all so happy for them.

I have been hearing some house-top shouting lately but just found out why. The big commotion was the birth of a baby to the Winuck family, at 21102 Denker. Mr. and Mrs.

Irvin Winuck are so happy to announce the birth of their new daughter, Teri Sue, who checked in weighing 8 lbs. and 4 oz. Teri's arrival was extra special because she had so many people waiting for her. She has two sisters, Sharon and Carol, and a big brother, Irvin Jr. I forgot to mention that Teri's birthday was July 20. Sorry I'm so late in putting this "big" item in the paper.

Last week the Torrance Local Order of Moose Lodge initiated 12 new members. Their hall is located on Carson St., but the new members were initiated into the lodge in ceremonies conducted at the state convention in Santa Monica. A large crowd from this area and from Torrance attended.

The first meeting of the mothers of the girls from Brownie Troop 216 was held at the home of Mrs. Robert Bree who is the leader for the girls. Much was discussed and planned for the girls. Some of the places of interest for the girls to travel to were Torrance Laundry, Torrance Civic Center and the Torrance Fire Station.

They decided to have election of officers in December and installations in January. Their meetings have been decided to be held on the third Tuesday of each month. Those in attendance were: Mmes. Loy Votair, Henry Weil, Irene Perry, Albert Mcness, Curtis Ellison, H. D. Muth, Perry Butler, William Snee, Friend Harrison and myself.

The girls and the mothers are planning on making house-slippers and scrap books for the children of the Harbor General Hospital for Christmas.

The next meeting will be held at the home of Mrs. Friend Harrison who resides at 21113 South Budlong. Those who weren't present at the last meeting are urged to attend.

The Community Chest drive will get under way on Nov. 8th. If any one in this area would like to join the women of the 223rd Street School PTA in collecting funds for this worthy cause, please contact Mrs. David Goolsby at FA 8-6151. Just an hour or so of your time is expected.

Jill Ingram, Sharon Field, Carol Allen, Melody Dillon, and my daughter, Lana, have been in several parades lately. These girls enjoyed the Los Angeles Fair and counted it a privilege to be in their parade. Good luck girls in your future work.

Some of the ladies in our area need to be thanked. One of them is Ester Venable of 223rd St. Last Wednesday, Ester held a toy party at the Normandale Recreation Center. She had 22 guests and presented the 223rd Street School PTA with the profit she made from the party. One of her guests, who was Mrs. Funk, booked her a party and she in turn said she would give her profits to the PTA also. Don't you think these girls are just tops in doing such a good thing. The she salutes you two girls.

I attended the Cooking School held recently in Torrance and enjoyed myself. The class was on fall cooking and Mrs. Marge Ewen presented the program beautifully. Several women from this area took the afternoon off and attended.

Did you ever hear of having and celebrating Christmas in October. Well, that is just what the Moose women recently did. They had a pre-Christmas party and a beautifully decorated tree Oct. 3rd. This gathering

of gifts was for Mooseheart and Moosehaven.

During the evening they were honored by the presence of Dean Bessie Lovet from Long Beach who was their speaker. She talked of Mooseheart and Moosehaven. She has had the honor of working with these organizations for 36 years.

The Lakewood Chapter were the guests of the evening and they initiated three new members into the Torrance Chapter.

After the business of the evening was over, a two-act

play was presented by Alice Swanson, Ethel St. Germain, Ester Lambergun, Marguerite Baudin, Helen Benton, Francis Gable, Helen Judd, with Vinger Jinken introducing the cast.

By the time the play was over everyone was in the mood for refreshments so the chairman, Helen Judd, served the crowd of 75, cake and coffee.

Army Reserve Capt. Kenneth Clark, son of Mrs. LeRoy Lloyd, 1608 West 220, is participating in the National Rifle and Pistol Matches at Camp Perry, Ohio. He lives in Minot,

Congratulations are in order.

The receiver of this is Mrs. Mabel Biggs, of 1603 W. 221st St. She recently received her 10-year pin, a corsage and a letter of appreciation of her 10 years with Newberry's. Mabel is in charge of the hardware section and dearly loves her work. No matter what time you go into the store she's always smiling.

More than 150 lodge and chapter members and their families attended a Torrance Moose lodge picnic at Banning Park, according to James Evans, lodge secretary.
